

Getting active can be difficult. But we're here to help. With Walking for Health, you can take part in a free short walk nearby to help you get active and stay active at a pace that works for you. It's a great way to stretch your legs, explore what's on your doorstep, and make new friends. For over 12 years, we've helped thousands of people like you discover the many benefits of regular group walks. From reducing stress, to losing weight, to sharing laughs, Walking for Health has something for everyone.

Why walk?

Walking is truly accessible – almost everyone can do it anywhere and at any time. It won't cost you anything, and you don't need any fancy equipment to hit the pavement.

If you still need convincing, here are a few positive things that walking can do for your health...

- Help your heart and lungs work better
- Lower your blood pressure
- Keep your weight down
- Lighten your mood
- Keep your joints, muscles and bones strong
- Increase 'good' cholesterol

Supporting you to get active and stay active

Together the Ramblers and Macmillan Cancer Support run Walking for Health, helping more people – including those affected by cancer – discover the joys and health benefits of walking.

How you can get involved

Woking & Runnymede Health Walks is your local Walking for Health scheme. Our walks are free, fun and friendly – perfect to help you get active and meet new people. All walks are a maximum of 90 minutes. We also have 'starter' walks (max of 30 mins) every Tuesday at 11am. If you'd like to take part, all you have to do is come along to the start point of one of our walks a few minutes early, so that one of our trained walk leaders can take your details. Then you're free to take part in as many walks as you like, as often as you like. **If you want to know more before you start, just get in touch with Tasha Feddery (walks coordinator) email: tasha@cornerhouse.cc or call 07473 404 962/ 01483 757461.**
